O R D E R

On July 18, 1994, Columbia Gas of Kentucky, Inc. ("Columbia") filed with the Commission an application for approval of a special natural gas purchase contract with Citizens Energy Corporation ("Citizens") for continuation of a Special Emergency Assistance Program ("Program") through the winter of 1994-95. The Program originated in 1983 and has been extended in each subsequent year.<sup>1</sup>

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

1. The Program distributed \$60,035 to 1,241 households during the 12 months ended June 30, 1994. A balance of \$22,786 remained to be disbursed in the fall of 1994. In order to continue assistance to these needy households, the Program should be extended for the winter of 1994-95 with the associated gas costs recovered through the purchased gas adjustment mechanism.
